Re: Jerry W. Funkhouse

Dear Howard:

On your recent Transmittal #74, you included the registration for Troop 222, sponsored by the Kassel American School, Parent-Teachers Association, Kassel, Germany. Listed on the charter application was one Jerry W. Funkhouse who indicated he is approximately 23 years of age and a Separated-Registered Scouter.

We do believe that he is the same individual as one Jerry W. Funkhouser on whom we have information indicating that we cannot accept his registration as a leader with the Boy Scouts of America. Just to confirm our belief of this, you might ascertain whether Mr. Funkhouse was ever connected as an Assistant Scoutmaster with Troop 203, Dunkirk, Indiana from October, 1961 until relieved a few months later.

If our judgement is correct, we cannot accept Mr. Funkhouse's registration and we are returning, herewith, his registration fee of \$1.00. If our identification proves wrong, you may resubmit his application.

Sincerely yours,

Re: Jerry Fankhouser

Dear Oral:

We have just received your letter of February 16, and first of all would like to mention one thing. That is, any time that you are corresponding concerning the confidential files, please make sure that your envelope is marked PERSONAL AND CONFIDENTIAL. By doing this the envelope is not opened and any information in the letter remains completely confidential.

I trust that we may be receiving the confidential record sheet very soon, since it is the basic information we use to check on an individual.

Concerning the report I requested in my letter of February 9, you may recall that in Ray Starkey's letter of December 6, he also requested this, indicating that it was needed to properly classify the case. Also, there is only one confidential file which is in the home office, and all information should be kept in it.

You may be assured that any such records or statements which are sent to us are completely confidential and the information given is neither shared or discussed with others. If you wish, you may mention this to the individuals involved.

Certainly, if you know them well enough, you can explain the importance of such information in helping us to prevent such individuals from associating with Scouting in the future.

Sincerely yours

Dear John:

I quite frankly have withheld relaying to you the letter I received concerning Jerry Funkhouser. I do not recall the necessity of this action in past experiences of this kind. On the other hand, I do recall a scout executive having been subjected to serious countercharges that carried over a number of years because of the transmission of a letter. Also, I do not believe that I had received the confidential record sheet which you enclosed with your letter. I will do my best to get this completed as fully as possible.

Is it necessary for me to send to you the letter which I received from the men of the community and the committee of the unit involved? I note that at the bottom of the confidential record sheet there is a space indicating the reason. Will this be sufficient?

Sincerely,

Oral E. Smith

Dear Mr. Smith:

On December 6, Ray Starkey acknowledged your letter concerning Mr. Funkhouser. In his letter he requested that you send us the report you have on file concerning this man. The letter also requested that you complete a confidential record sheet.

We sent a follow up to this letter January 8 and as yet have not received a reply. It is extremely important that we have the above information so that should Mr. Funkhouser try to register, we would have some means of identifying him and a knowledge of his difficulties. Without this information we are helpless in preventing his registration.

Gentlemen:

Our attention has been called to a situation in our unit number 205 at Dunkirk, Indiana, concerning Assistant Scoutmaster Jerry Funkhouser. Investigation by the president of the Lions Club, the unit Committee Chairman and the Scoutmaster caused this group of men to recommend that Funkhouser's connection with the Boy Scouts of America be severed now and that he never be allowed to register again. I am therefore recommending this action to you, and I will have on file here if necessary a report of the above group of men.

Sincerely,

Oral E. Smith

Dear Oral:

In re: Jerry Funkhouser.

Jerry has been serving as an assistant scoutmaster for several months with troop 205. As the Scoutmaster is building a new home Jerry has been almost in full charge.

He has turned out to be a homo-sexual and we have relieved him of all connections with the troop. He should be kept on file and never registered in scouting again.

We have three older boys who have confessed to being asked to have relations with him for money and we think there are more. Some have been to his house and participated in these acts.

After the meeting on the 13th he confessed to these acts to the President of the Lions Club, Lavon Edwards, The committee chairman Minor Burgess, and the Scoutmaster Arlan Dalhaus.

Some of the parents are aware of what is going on but we are trying to hush it up, for the benefit of the program.

Yours truly

RE: Jerry A. Funkhouser

Dear Mr. Parkinson:

You recently sent us the Scouter application for Jerry A. Funkhouser, CMR 1793, APO, New York, to serve as Webelos Den Leader of Pack 3165 in District 6. We regret to inform you that we cannot accept Mr. Funkhouser's application.

When informing Mr. Funkhouser about this, simply tell him that the National Council does not wish to accept his registration in the Boy Scouts of America. If Mr. Funkhouser should raise any questions as to reason, you might indicate to him that registration in the Boy Scouts of America is a privilege and not a right and that the National Council reserves the prerogative to accept those individuals it feels will best serve the interests of the organization.

We are herewith enclosing a credit notice of \$2.50. Kindly delete Mr. Funkhouser's name from your records.
